

The Values of Sunflowers Day Nurseries

1. Quality - We aim to deliver outstanding quality provision
2. Teamwork - We will work with each other collaboratively & ethically, supporting each other to deliver excellence.
3. Integrity - We will stick to our promise and be truthful and open in what we do and say to our children, parents and to each other.
4. Accountability - We will be held responsible for our actions and be open and transparent in all our communications, always adopting a professional approach.
5. Valuing Others - We will ensure the team feel confident and effective in their roles by providing training and development and acknowledging the contribution they make.

What We Do

Learning Through Play

Through play, children develop language skills, their emotions and creativity, social and intellectual skills. They value play and provide safe but challenging environments that support and extend learning and development.

Healthy

A healthy, nutritious diet is important for growing bodies. Our Housekeepers prepare fresh, home-cooked meals each day for us to enjoy.

Nature

Our gardens are an integral part of the children's day where they can be messy, creative and learn throughout the changing seasons.

Tapestry

At Sunflowers we use Tapestry, an Online Learning Journal, where you will be able to view photographs and observations completed on your child and be able to see how your child is developing through the EYFS. As parents you will be able to upload your special events and add your comments to your child's Learning Journey.

A Brief History

Karen and Harry Cardwell set up the original Sunflowers Day Nursery in Cottingham in the 1990s. With a background in nursing and an Early Years Foundation degree in Childhood Studies, Karen now owns three Sunflowers nurseries and plays an active role in their running, alongside her skilled and experienced management team.

At Sunflowers Day Nurseries we treat children as individuals, each with their own specific needs. This means that our children move from room to room as and when the staff and parents decide they are ready, and not simply because of their age.

The parents' peace-of-mind is essential, and It is important you know as much about the nursery as possible. We encourage as much parental involvement as you wish to put in.
